

22 JUSTICE ISSUES

Honeycomb has identified 22 Justice issues. These 22 Justice Issues are causes that need to be addressed in the world.

On the first page, you can find a list of the 22 Justice Issues. On the following 2 pages, you can find 2 separate activities that youth can engage with.

Before you get started, say this to participants:

Today, we will look at Justice Issues. These are causes that need to be addressed in the world. There are an endless number of Justice Issues, but for the purposes of our giving circle, we will look at 22 today. By understanding these issues, you can identify the values that guide you to make change in the world.
