

OVERVIEW

The “iGive” initiative from Honeycomb is an immersive giving experience that focuses on helping Jewish youth build deep connections to Israel and strong Jewish identities. Through funding directly in Israel, participants explore issues they care about, create new relationships with the country of Israel and explore ongoing engagement with Israel and its peoplehood.

Selected organizations will receive full curriculum, training, resources and funding from Honeycomb to launch this exciting program. Honeycomb will be accepting up to 6 communities to be part of this cohort.
